

Product Brochure: Egate Duster 10X (EGP531) Projector

Page 1: The Ultimate Cinematic Experience at Home

Introducing the Egate Duster 10X (EGP531) Projector, a revolutionary home entertainment device designed to transform any room into a true cinema. Built for clarity and convenience, this projector combines cutting-edge technology with a dust-proof design for a worry-free, stunning viewing experience.

Key Features:

- **100% Dust-Proof Engine:** The fully sealed optical engine prevents dust from getting inside, eliminating the common issue of black spots on the screen and ensuring a clean, vibrant image for years.
- **Intelligent Automation:** With its "Auto Focus" and "Auto Keystone" features, the Duster 10X automatically delivers a sharp, perfectly shaped image. No more manual adjustments—just plug and play.
- **Brilliant Display:** Enjoy a truly cinematic picture with a native 1080p Full HD resolution and support for stunning 4K Ultra HDR content. The 1000 ISO Lumens and 2100FC brightness ensure a vivid, clear image even in well-lit rooms.
- **Android TV OS:** Navigate your favorite entertainment with ease. The integrated Android 9.0 operating system provides access to popular streaming apps like Netflix, Prime Video, and more, right out of the box.
